our history

In 1978...the Edmonton Northgate Lions Club constructed a recreation centre on City land for senior citizens and the community. One of the busiest and most successful Seniors Centre in all of Canada was born and has continued to thrive.

Today, the North Edmonton Seniors Association (NESA) operates the Centre with support from the Citizen Services Department of the City of Edmonton and the Northgate Lions Club. NESA is an independent, charitable, non-profit society providing recreational, social, educational and wellness programs and services to seniors (age 55+ years). NESA is the largest seniors organization in Edmonton, responsible for providing the most comprehensive older adult recreational and social programs.

NESA's success speaks for itself:

- Over 600 programs run annually
- Over 250 volunteers give over 40,000 hours of their time collectively, annually

Covid-19 and an Operations Update

While we know that covid-19 will remain an ongoing concern for all of us for months and likely years to come, we are confident that if everyone continues to do their part to keep one another safe, that we should be able to safely reconnect in person and enjoy activities together here at NESA this upcoming season. Having said this, we do recognize that at any time the province of Alberta and our partners at the City of Edmonton might require new guidelines and protocols be implemented if the pandemic situation changes. Should new changes be mandated we will update our membership and respond accordingly.

Patron safety remains our top priority. The following guidelines and measures have been made at the facility to keep you safe:

- Contactless registration continues to be encouraged (online or mail-in methods are preferred);
- Disinfection wipes and sanitizer stations will be available as well as sinks in many of the program and activity spaces for hand-washing;
- Program and activity maximum enrollment totals have been reduced to prevent overcrowding;
- Where possible, relocation of larger activity groups into alternate spaces;
- Staggering of start and end times of larger programs and activities to prevent overcrowding in common areas, change rooms, elevators, etc.;
- Where possible, use of alternate exits from the building is encouraged;
- Sneeze guards remain installed in high-traffic areas such as the front desk, fitness centre, and outreach desks;
- Office hours have been adjusted to allow time for staff and volunteers to sanitize and properly prepare before and after their shifts;
- Reservation-based system remains implemented in the Fitness Centre with reduced patron occupancy;

Continuous Masking and Covid-19 Vaccinations

As covid-19 vaccinations have not been mandated by the Province of Alberta, The North Edmonton Seniors Association will not be enforcing that instructors, staff or members be required to have or show proof of having a vaccination at this time. NESA will proceed to offer activities and programs as safely as possible as per the recommendations from Alberta Health Services and the City of Edmonton. It is encouraged that all patrons continue to implement safe and healthy practices into their daily activities and routines in efforts to keep one another safe. As has always been the case, people who are ill, regardless of the cause, are asked to refrain from visiting the facility until fully recovered.

While masks are not mandatory for staff, instructors or the public, if an individual chooses to wear a mask or not, that choice will be respected.

What you can do to keep yourself and others safe:

- Participants are asked to arrive no more than five minutes before their program begins in order to limit traffic and congestion within the hallways and waiting spaces;
- Though not required, participants are encouraged to bring their own program supplies (i.e. art supplies, handheld tools, instruments exercise mats and fitness equipment);
- When possible, participants should bring their own filled water bottles;
- Please limit the amount of personal items brought with you as locker space is limited. (Wallet and key lockers are available and remain complimentary);
- If possible, please wear your workout clothing to your fitness activity so you can minimize the amount of time spent in the change rooms;
- Ensure to bring your indoor footwear with you and leave any soiled or wet footwear on the provided shoe racks;
- Participants will be expected to spend a few minutes at the beginning and at the end of their program to sanitize their spaces and wash their hands. Frequent hand-washing is one of the best ways to prevent the spread of infection;
- Ensure to conduct daily health assessments and if feeling unwell, please postpone your visit to NESA and return once you are feeling better.

THANK YOU FOR DOING YOUR PART TO KEEP YOUR RECREATION COMMUNITY SAFE.

Over 40 years
ago, the North
Edmonton Seniors
Association chose
a different way to get
older. We began with a
simple premise: fun has
no expiration date.
It keeps you young.
When we learn, play,
build, eat, dance and
travel together, we are
happier and healthier.
We live longer.
We live more
meaningfully.
