

Status of NESAs Volunteer Positions

Updated: July 9, 2020

Understandably, many volunteer positions at North Edmonton Seniors Association have had to be temporarily put on hold or re-evaluated to ensure everyone's health and safety remains at top priority. Please understand this list is not guaranteed, and some positions may continue to change as new guidelines are released.

This list will continue to be updated as information becomes available, so please continue to check back for more information.

While considering returning to your volunteer position at NESAs, please review the document [What Can I Expect Volunteering at NESAs During COVID \(PDF\)](#) to see some of the changes we have adapted regarding volunteering.

We respect everyone's personal comfortability level with returning to the centre and understand your preferences while volunteering here may have changed with this new information. **Please take a moment to update your current availability, personal and emergency contact information and/or positions of interests by using [this form](#).**
